

Available in DuraPlate or aluminum sheet and post sidewall construction. Utilimaster Utilivans are built tough to deliver optimal performance, maximum versatility and handle the toughest loads.

UTILIMASTER Utilivan is the perfect size for fleet - the medium-duty chassis allows for walk-through capability and the body can be customized for exact needs.

Utilimaster Utilivan Advantages

- 5 year limited warranty
- Available on single or dual rear wheel
- Lighter duty application than traditional truck body
- Right size for many commercial uses
- Cutaway chassis allows for pass-through or walk-through
- Flexible solutions including over cab storage and side doors
